CPSU Report – on Jacotot and Gospel Eduction – how it could be spiritual, the Soviet Union

By Istabal Mesravan

I. Jacotot

It is a experimental Christian analyst, who believes in rhythms and even funny jokes which keep going on each day. The most utopian image.

II. Abstracting this Passage for Soviet Union

If I abstract this it produces the domain of in fact sport playing culture, even jokes between men and women and such spiritual

conversation as linked to school and university.

III. Current Crisis in CPSU and Soviet Union

The current crisis is finding teacher and educationists who then is like Sirohi we also mean, that man who does Jacotot and heals people, which is how it is also healthy.
